Parents: Scouting involves young people with the kind of friends you would like them to have, working with adults of good character who will be positive role models to them. Scouting teaches respect for other people, respect for oneself, and respect for God and country. We do a wide variety of age-appropriate activities which are tons of fun. We would love to have your son join us. Feel free to call me with any questions. Mike Newman, Cubmaster 649-9376
